

# Good news about sin

Yes, there are at least six wonderful to know about sin.

**First**, God offers full and free forgiveness of all our sins through Jesus Christ. "If we confess our sins, He is faithful and just to forgive us our sins," 1 John 1:9.

**Second**, mankind's sinful earth-rule and evil kingdoms will cease! Very soon - at the end of this age - God "shall break in pieces and consume all these kingdoms." Daniel 2:44

**Third**, this ending of man's sinful rule won't leave a vacuum. As foretold in Revelation 11:15, God will immediately install His own sinless ruler - Jesus.

**Fourth**, under Christ's universal rule, all sinning will immediately be reined in - " He shall judge among the nations, and shall rebuke many peoples . . . neither shall they learn war anymore." Isaiah 2:4. For the first time in all human history - global peace!

**Fifth**, God will finally "make an end of sins." Daniel 9:24. What a unique promise to mankind! - found only in the Bible.

**Sixth**, it's because Jesus will ultimately solve our world's sin problem that the Bible says much about His second coming to restore peace to planet Earth.

Jesus himself said, "I will come again." John 14:3
