

It's extra ordinary

What is the most extra-ordinary power ever placed in the hands of mankind?

Prayer is more powerful than our nuclear weapons, more powerful than any force of nature, more powerful than Satan and all his evil influence.

This is because, first, in response to our prayers, God bypasses the ordinary restrictions of time.

He says, "Before they call, I will answer"! Isaiah 65.24. How does He do it?

He is able to speed an answer on its way – even before we pray! – because of His fore-knowledge.

Jesus referred to this. He said, "Your Father knows what things you have need of before you ask Him. Matthew 6.8

Second, in response to our prayers, God bypasses the ordinary restrictions of human thought.

He "is able to do exceedingly abundantly above all that we ask or think." Ephesians 3.20

So when our prayers seem unanswered, what really happens is that God has improved on what we asked for.

Third, in response to our prayers, God bypasses the ordinary restrictions of space and matter.

No man can open the eyes of the morally and spiritually blind. But in answer to prayer, God can actually access the heart and mind of an unbeliever and show him the truth.

What power God has put in our hands! Are we using it?
