

How to find God

Have you experienced life's greatest discovery?

First, some try to find God through nature - the *nature worshippers*. Pantheists say nothing exists apart from God. They believe the world is God, and God is the world. This view honours creation instead of the Creator.

Second, others look for God within themselves - the "*ego*" *worshippers*. But Jesus said, "from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, thefts, covetousness, wickedness, deceit, licentiousness, an evil eye, blasphemy, pride, foolishness. All these evil things come from within and defile a man." Mark 7.21-23. Phew! Nothing godlike there!

Third, still others seek God through teachers and gurus - the *men worshippers*. Some world religions promote this kind of search.

Fourth, only Christianity reveals *it is God who searches for man*.

To find God - really find him - we must come face to face with the One who is seeking us - God's Son, Jesus Christ. It has been declared, "Jesus is God approachable, God available, God lovable".

A small boy once said, "Jesus is the best photograph God ever took."

Here's the bottom line: God found me, not because I knocked on heaven's door, but because, through Jesus, God knocked at the door of my heart.

Only a *life* has made God known - the life of Jesus.
