

Book of Revelation

Part 7

Jesus said, “In my Father's house are many mansions . . . I go to prepare a place for you.” John 14.2.

He is arranging a real estate extravaganza for us in heaven – the biggest property investment of all time – designed to house millions upon millions of believers.

First, the book of Revelation gives details of this largest, most extensive family home ever to be built –

See, in chapter 21.16, the staggering, mind-boggling 'home and property snapshot'. It will be 1500 miles long. 1500 miles wide. 1500 miles deep.

Second, it will be maintenance free – a home “where neither moth nor rust destroys.” And totally secure – “where thieves do not break in and steal.” Matthew 6.20.

Third, we'll have compatible neighbours: no boundary disputes, no personality clashes, no domestic disturbances because “nothing evil will be permitted – no one immoral or dishonest.” Revelation 21.27 (Living Bible).

Fourth, and this is just the home base when residents are not out exploring the rest of the marvellous new heaven and new earth. Revelation 21.1.

Fifth, the most awesome feature of this home is the outstanding view. *Residents will actually see God's face.* Revelation 22.4.

But it's only for believers. Will you be there?
