

# God is amazing

God keeps taking us by surprise.

**First**, though he has enemies, what does he do? He blesses them with his own unique gifts! He “sends rain on the just and on the unjust.” Matthew 5.45.

**Second**, when the God of love and purity and peace was faced with a wicked world, what did he do? “God did not send his Son into the world to condemn the world, but to save the world through him.” John 3.17.

**Third**, he arranged for a Book to be produced (“All scripture is given by inspiration of God” 2 Timothy 3.16).

But the Book is now thoroughly ancient. So how in the world does it stay in print?

- 1) God made its message so powerful, he can safely rely on word-of-mouth advertising.
- 2) The Book forecasts the most unlikely events – and they come true!
- 3) The Book speaks to the most unpromising individuals and converts them!

People are amazed to discover that God is driven to think about us all the time! This is because of his Book's promise “I will never leave you nor forsake you.” Hebrews 13.5.

As a result God takes many such people captive – they are captivated by his love.
