

Do it anyway

People are often unreasonable, illogical and self centred; forgive them anyway.

If you are kind, people may accuse you of selfishness and ulterior motives; be kind anyway.

If you are successful, you will win some false friends and some true enemies; succeed anyway.

If you are honest and frank, people may cheat you; be honest and frank anyway.

What you spend years building, someone could destroy overnight; build anyway.

If you find serenity and happiness, they may be jealous; be happy anyway.

The good you do today, people will often forget tomorrow; do good anyway.

Give the world the best you have, and it may never be good enough; give the world the best you've got anyway.

You see, in the final analysis, it is between you and God; it is never between you and them.

Do it anyway

*Because you know that your labour in the Lord is not in vain. 1
