

How near is God?

As to having a person to person meeting with God, you may have some questions.

First, if the Christian God created this vast universe, surely he would be out of our feeble reach. Surely it is beyond any chance that we could make personal contact with him.

Well, the fact is “he is not far from each one of us; for in him we live and move and have our being.” Acts 17.27-28.

Second, how then can I get in touch with him? Again the Christian message is that this is quite straightforward. “Draw near to God and he will draw near to you.” James 4.8.

Third, what should I say to him? That's straightforward too. “Our times of ignorance God overlooked, but now he commands all men everywhere to repent.” Acts 17.30.

Fourth, what happens then? “If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.” 1 John 1.9.

Fifth, but what will my friends say? God assures you that “whoever believes on him will not be put to shame.” Romans 10.11.

Sixth, God even provides his worldwide Church where, right now, you and I can learn more about him.
