

GOD IS IN CONTROL

What needless suffering and anxiety we carry within us because we fail to understand that although God dwells in Eternity, He is working out His purposes here on earth in accordance with time. He could bring about major changes in our lives in a single moment - and of course He often does but usually His way is to work painstakingly through dark and difficult situations - taking His time.

We can and will save ourselves a good deal of personal pain and irritation when we learn to have patience with the patience of God. What can save us from falling into moods of defiance and doubt. I know of nothing more effective than the conviction that God makes everything beautiful in His time. The picture you see now as you look at your life may not be very beautiful but when you see it through His eyes, the picture takes on a perspective that is just out of this world.

You will see purpose in tragedy, reason in calamity and meaning in everything.

No matter what your circumstances are like at this moment, never ever lose hope.

God is still in charge!

Isaiah 26: 4 Trust in the Lord forever, for the Lord, the Lord is the Rock eternal

Psalms 27: 1 The Lord is my light and my salvation- whom shall I fear?

Philippians 4: 6 Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. 7 And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.
