

Partner with God Part 3

Mighty empowerment

See God's awesome provision. He makes believers a walking powerhouse, ensuring that their prayers are never subject to power failure!

Prayer to God is a unique, supernatural resource giving direct contact with our Creator at all times. It makes partnering with God easy.

First, *no force of evil can prevent us from praying.* We can pray silently at any time.

Second, *no force of evil can block a believer's prayer.* Every prayer gets through.

Third, *no force of evil can make a prayer forgettable.* God stores every prayer, right there in heaven! Revelation 8.3.

Fourth, *no force of evil can tamper with a single prayer.* Every prayer remains intact.

Fifth, *no force of evil has as much power as one simple prayer.* God sees to that.

Sixth, *no force of evil can match the scope of human prayer.* Jesus said, "If you shall ask anything in my name, I will do it." John 14.14.

Seventh, *see how weak Satan is.* Even he cannot resist our prayers. They bypass him on their way to God.

But why does God allow *any* challenge to his mighty power? Because it clearly identifies those who are partnering with him, and those who are not.

Evil may seek to hinder (but cannot outmanoeuvre) God Almighty.
